

# Patterned Pintor Bilbies

Print the template onto thin card stock.

Decorate the bilby and egg using Pilot Pintor Paint Markers and plenty of patterns.

Cut out the bilby and egg.

Measure a thin strip of cardboard to wrap around your head to make a band. Secure the band with tape.

Stick the bilby and egg onto the cardboard band. You're ready for the Easter Parade!

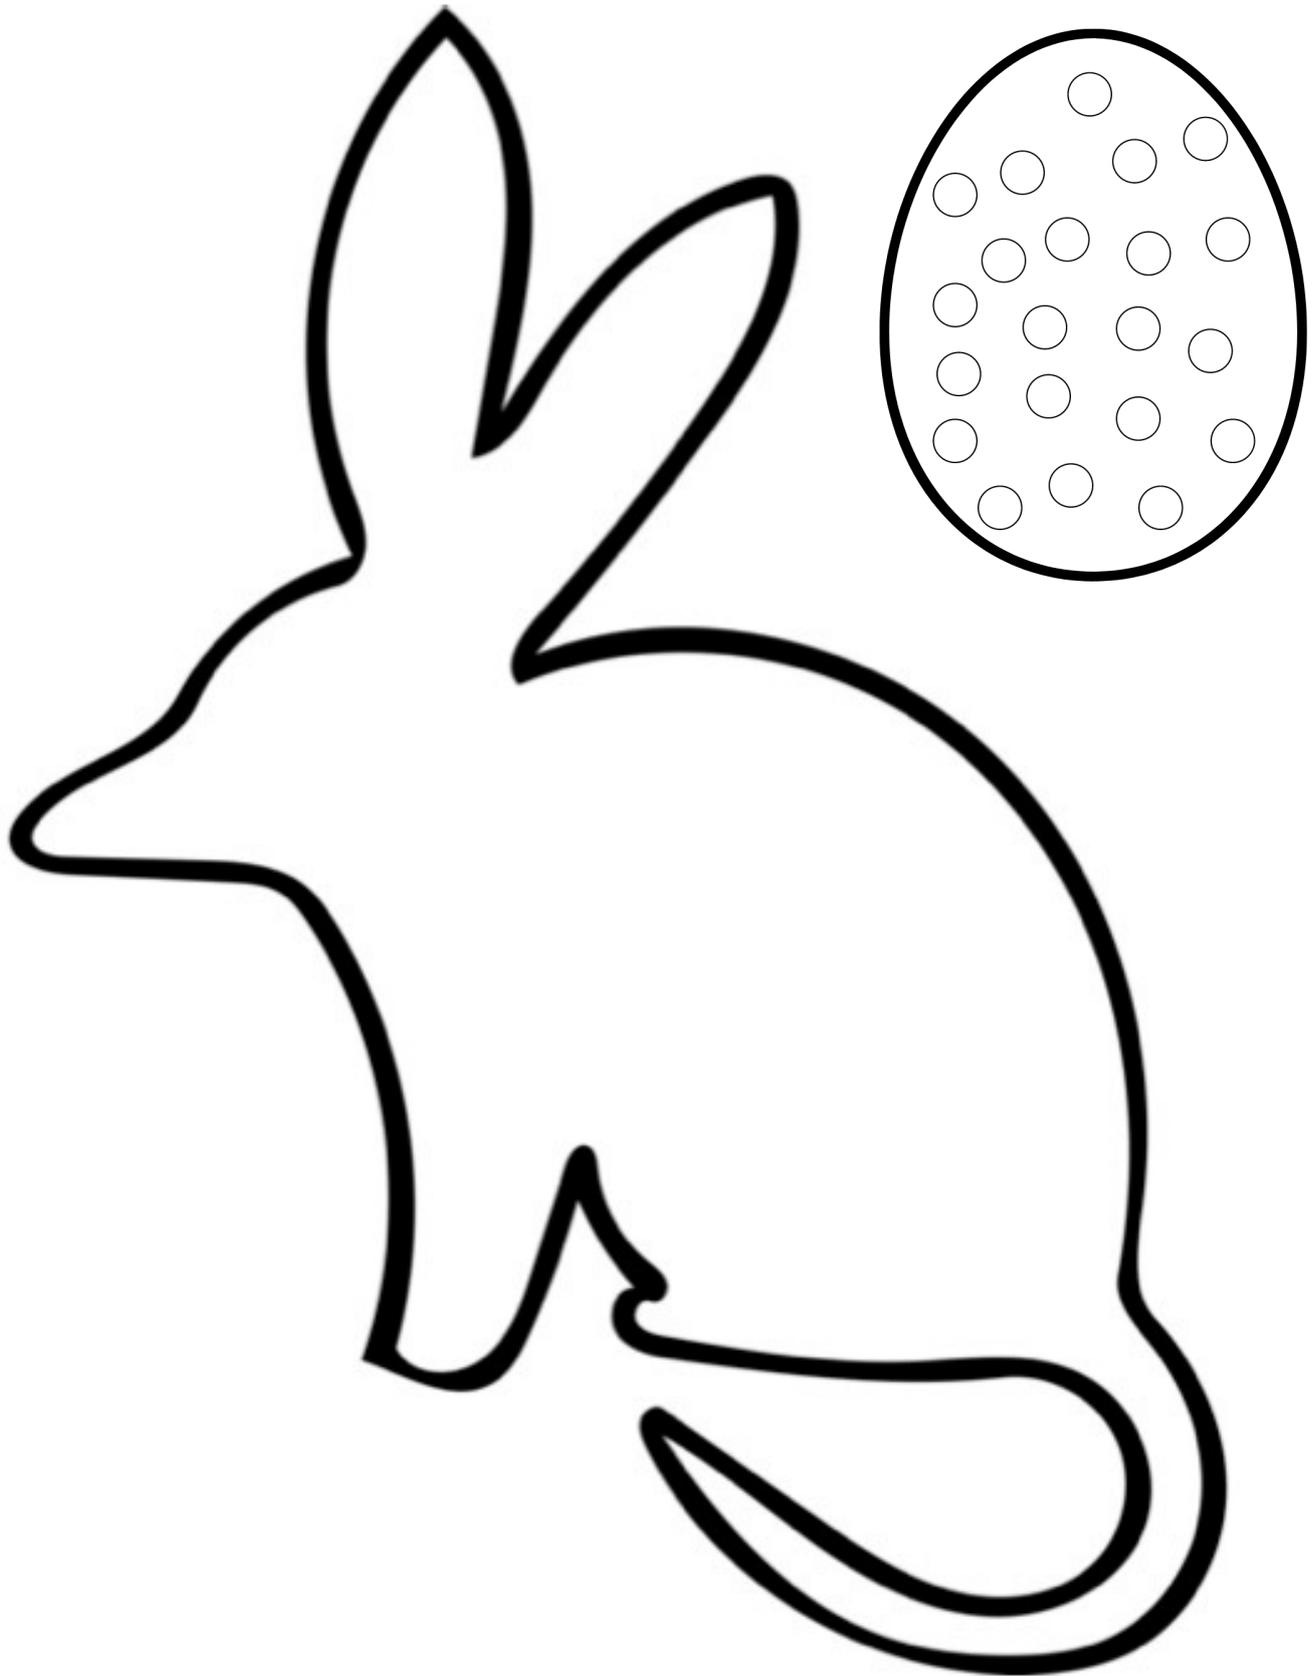

# Eggcellent Spoonville

Think about the designs you might see on Easter eggs. Use Pilot Pintor Paint Markers to decorate wooden spoons to look like Easter eggs and create an Eggcellent Spoonville for your neighbourhood.
